Data Location Certificate

By means of this document, **SW Hosting and Com. Tech. SLU** certifies that the client's services listed below are **physically hosted in its data centers**.

HOLDER	ADDRESS	CERTIFICATION DATE
SWPanel Demo, S.L.	Carrer de l'Exemple, 1 · 17001 Girona · Spain	16-10-2026 · 21:43:36

Services and location · 1 service

SERVICE	IP	CREATION	DATA CENTER	LOCATION
swpanel.com	203.0.113.25	12-01-2026	GDC-1 · Spain/DC1	Girona/Barcelona

All customer data hosted in these services is located in the indicated locations, with the exception of any unit, access, or remote connection that the customer has implemented or requested to be implemented at their own discretion.

Regulatory compliance

SW Hosting and Com. Tech. SLU declares compliance with the applicable data protection regulations in the context of the services provided to the client, including, among others, the General Data Protection Regulation (GDPR), the Organic Law 3/2018 on the Protection of Personal Data and the Guarantee of Digital Rights (LOPDGDD), as well as any other applicable regulations depending on the service contracted and the corresponding territorial scope.

When third parties are involved in the processing of personal data on behalf of **SW Hosting and Com. Tech. SLU**, such processing will be carried out through the corresponding contractual agreements, requiring the application of appropriate technical and organisational measures and the respect of the principles of lawfulness, fairness, transparency, purpose limitation, data minimisation, integrity and confidentiality, as well as the protection of the rights of the data subjects in accordance with the applicable legislation.

You can download the certificate ISO/IEC 27001:2022 (no. ES20/208290) at tracking.swpanel.com/certificate/ISO.
